Hi everyone,

Thank you so much for spending time with me. It was great to meet you and spend time with you all. It was also great to see so many of you when I gave feedback, it showed how much the school means to you all.

Seeing the relationships, you have with each other, and staff was great to see, it was lovely to see you laugh and feel comfortable in one another's company.

It was inspiring to see the work being done with the LGBTQ+ group and this allowed me to learn so much about your personal experiences and how committed you are to helping each other. I really got a sense that everyone is welcome at boarding which is great to see.

I have asked the manager to make sure that staff keep a close eye on the residential accommodation to make sure rooms stay tidy and that any litter is cleared away.

Thank you once again.
